object or permanent menument as will identify the claim. On each elaim located after the passage of this act, and until a patent shall have been issued therefor, no less than one hundred collars worth of labor shall object performed or improvements made during each year. On all claims located prior to the passage of this set, and, in case-of excessive charges set, ten deliars worth of labor shall be performed or improvements made been seen of the sease of the publication of notices under this act; and, in case-of excessive charges for surveys and publication of notices under this act; and, in case-of excessive charges for length along the vein until a patent shall have been issued therefor; but where such claims are held in common, such expenditure may be such paper; and, to the end that the Commissioner may be folly informed on the subject, sach applicant shall file with the Register at the expenditure of the such salure occurred shall be open any one claim; and upon a failure to comply with these conditions, the claim or mine upon which such failure occurred shall be open to re-location in the same had aver been made. Provided the same had aver been made. Provided the commissioner of the General Land-Office, which statement is such applicant shall file with the Register and before a leaf representatives, have not a case, to the Commissioner of the General Land-Office, which statement is such applicant shall file with the Register and the Review of leaf representatives, have not a case, to the Commissioner of the General Land-Office, which statement to comply the control of the commissioner of the General Land-Office, which statement to comply the control of the commissioner of the General Land-Office, which statement to comply the control of the commissioner of the General Land-Office, which statement to comply the control of the control of the commissioner of the General Land-Office, which statement to comply the control of the contro object or permanent manument as will identify the claim. On each claim located after the pas-sage of this act, and until a patent shall have been issued therefor, no less than one hundred collars worth of labor shall be performed or imassigns, or legal representatives, have not resumed work upon the claim after such failure of
and before such location. Upon the failure of
any one of several co-owners to contribute his
portion of the expenditures required by this act,
the co-owners who have performed the labor or
made the imprevements may at the expiration
of the year, give such delinquent co-owner personal notice in writing or notice by publication
in the newspaper published nearest the claim,
for at least once a week for ninety day, and if at
the expiration of ninety days after such notice in
writing or by publication such delinquent should
fall or refuse to contribute his proportion to writing crop panguation scan delinquent should fall or refuse to contribute his proportion to comply with this act, his interest in the claim shall become the property of his co-owners who have made the required expenditures.

fall or refuse to contribute his proportion to comply with this act, his interest in the claim shall become the property of his co-owners who have made the required expenditures.

Sec. 6. That a patent for any land claimed and located for valuable deposite may be obtained in the following manner: Any person, association, or corporation authorized to locate a claim under this act, having claimed and located a piece of land for such purposes, who has, or have, compiled with the terms of this act, may lise in the proper land-office an application for a patent, under oath, showing such compliance, together with a plat and feld-notes of the claim or claims in common, made by or under the direction of the United States Surveyor General, showing accurately the boundaries of the claim or claims, which shall be distinctly marked by monuments on the ground, and shall post a copy of such plat, together with a notice of such application for a patent, in a conspicuous places on the land embraced in such plat previous to the filing of the application for a patent, and shall file an affidiari of at least two persons that such notice has been duly posted as aforesaid, and shall file a copy of said notice in such land-office, and shall thereupon be entitled to a patent for said land, in the manner following: The register of the land-office, upon the thing of such application, plat, held-notes, notices and affidiavits, shall publish a notice that such application. The claim at the time of filing this application, is at any time thereafter, within the sixty days of published make, for the period of sixty days, in a newspaper to be by him designated as published nearest to said shim; and he shall also post such notice in his effice for the same period. The claim at the time of filing this application, or at any time thereafter, within the sixty days of publication to the united States Surveyor General that five hundred dollars worth of labor has been expended or improvements made upon the claim by himself or granters are filing th description by such reference to natural objects or permanent monuments as shall identify the claim, and furnish an accurate description, to be claim, and furnish an accurate description, to the claim, and furnish an accurate description, to the stay days of publication the claimant shall file his afflictly showing that the plat and notice have been peated in a conspicuous place on the season during said period of publication. If no solvene claim shall have been filed with the register and the receiver of the proper land-office

has elaim during said period of publication. If no adverse claim shall have been filed with the register and the receiver of the proper land-office at the expiration of the sixty days of publication it shall be assumed that the applicant is entitled to a patent, upon the payment to the proper of-facer of five dollars per sere, and that no adverse claim exists and thereafter no objection from third parties to the issuance of a patent shall be heard, except it be shown that the applicant has failed to comply with this act.

SEC. 7. That where an adverse claim shall be nied during the person or persons making the same, and shall show the nature, boundaries, and extent of such adverse claim, and all preceedings, except the publication of notice and making and filing of the afficiant thereof can be sayed until the controversy shall have been settled or decided by a court of competent jurisdiction, or the adverse claim, and the sayed until the controversy shall have been proceedings in a court of competent jurisdiction, or the adverse claim, to commence proceedings in a court of competent jurisdiction, or the adverse claim, to commence proceedings in a court of competent jurisdiction to determine the question of the right of possession, and prosecute the same with reasonable diagence, to final judgment; and a failure so to do shall be a wiver of his adverse claim. After such judgment shall have been rendered, the part entitled to the possession of the claim, or any portion thereof, may, without giving further notice, his a certified copy of the ludgment that requisite amount of labor has been expended, or improvements made thereon, and thall pay to the receiver five dollars per serse for his claim, to test the passes and shall pay to the receiver five dollars per serse for his the requisite amount of labor has been expen-ded, or improvements made thereon, and the description required to other cases, and shall pay to the receiver five dollars per acre for his claim, together with the proper fees, whereapon the whole proceedings and the judgment-roll shall be certified by the register to the Commis-sioner of the General Land-Office, and a patent

DAILY RECORD
tion thereof as the applicant shall appear, from the decision of the court, to rightly possess. If it shall appear, from the decision of the court, that several parties are entitled to separate and different portions of the claim, each party may pay for his portion of the claim, with the property for fees, and tile the certificate and description MINING LAW.
